### Volunteer Code Standards:

1. I will follow all policies and procedures as directed by the Recreation Department.
2. I will put forth my best effort to attend all meetings, workshops, trainings, and events organized by the Recreation Department, in relation to the program(s) I'm involved in.
3. I will communicate with the ERD on all issues that arise that affect the program and/or the department at large.
4. I will make sure the health and safety of the participants is a top priority with my involvement in the program.
5. I will communicate effectively and appropriately with all participants and parents. This includes being able to provide proper instruction(s) and feedback.
6. I will provide instruction and supervision for the participants in the program to ensure the participants are having fun in a safe and goal orientated environment.
7. I will strive to make sportsmanship a top priority amongst the participants, spectators, and coaches/instructors.
8. I will contribute to this program in a positive and professional manner, recognizing I am a role model and/or mentor and the leader of this program.
9. I will encourage all participants and provide a fun atmosphere.

### Authorization:

"I certify that all information in the above volunteer application is true, complete, and correct to the best of my knowledge. I authorize investigation of all statements contained in this application for volunteering that may be necessary in making any volunteering decision. I also agree to abide by all Volunteer Code of Standards established by the community Service Department"
